Consent

I give consent to my child taking part in group social events (this could include nights away and coach /mini bus trips) and group events during Sunday services (this includes supervised walking to and from the church.)			
I give consent that they can make their own way from any of these events if necessary.			
If no they will be collected by:			
I agree to photographs and short videos of activities including my child to be taken for use			
within the church community and for possible publication, including newspaper and the Church website.			
I agree to any emergency treatment considered necessary to be given.	Yes / No		
NB The medical profession takes the view that a parent's consent to medical treatment			
cannot be delegated. Medical consent forms have no legal status and a doctor has the			
right to insist parental consent before treating a child. We have found, however, that			
medical staff find this type of general consent helpful.
